Dear State Soil Conservation Board,

We would like to thank you again on granting us permission of transferring our remaining funds of the CMIG into our ECAP fund. We have allocated all the money at this time.

We are asking for an extension to spend the money due to the weather we have been experiencing. The land owners are ready to get to work as soon as conditions improve enough to get in to the fields.

Sincerely,

Ryan M. Hendricks
District Director/Resource Conservationist

Kelly spoke to Ryan
on 12/4/09. They have
one project left, but
can't finish due to wet
conditions. They would
like to extend the date
to Sept. 1, 2009.
